TOOLS & SUPPLIES:

DIRECTIONS: Cut desired Fabric Swatches stickers into smaller shapes and cover four 2" squares of paper with them. Use a die cutter and letter dies to punch out the word "BABY" from squares. Adhere letters to a 2½" x 5¾" piece of Just Plain Vanilla Crinkle paper. Then trim top and bottom edges with Scallop Design Line. Attach this piece to a 3" x 6¼" piece of Strawberry Shake Vellum. Then place entire piece on a 8"x8" sheet of Strawberry Shake Dot paper.

For the bow, back wide pink design line with its duplicate. Cut off a ¾" piece off one of the ends of the design line and save for later.

Next, at the middle of the ribbon, make two loops. Wrap a thin piece of tape around the middle to hold in place. Trim ends of ribbon to desired length.

Then take the saved portion of ribbon and wrap around center (the area between loops). Adhere to the top of page with foam tape to finish.
