

BABY BEAR TOTE BAG:

STICKERS:

1 module Fabric Pink Calico Design Line
1 module Fabric Pink Calico Full Sheet
1 module Soft Shades Design Line Slivers
1 module Baby

PAPER:

Strawberry Shake Vellum
Strawberry Shake, Crinkle
Peach - colored paper

TOOLS & SUPPLIES:

Foam tape, powder, scissors,
Xacto Knife

(1) 8" x 8" Mrs. Grossman's Favorite Album (Pink)

DIRECTIONS: Cut a 5" x 2" rectangle out of Pink Calico Full Sheet. Remove liner from fabric. Place sticker on a 1⁷/₈" x 4³/₄" piece of peach paper so that one corner is lined up with the other.

Then bend the fabric around so that the ends of the paper meet. Fold the excess fabric with the adhesive over to close up the seam. You should end up with an oval shape.

Position the seam so that it is in the middle on the backside of the oval. Pinch bottom end of oval where the sticker adhesive is still exposed, to close.

Use thin design line to make tote bag handle. Trim off excess and powder the back of design line handle. Then decorate top edge of bag with Scallop Design Line.

With the liner still attached, cut a pocket shape out of remaining Pink Calico Full Sheet sticker. Use Scallop Design Line again to trim the top of the pocket. Then decorate with heart sticker. Use foam tape to adhere to tote bag.

Remove small Stuffed Sticker Bear and place inside tote bag. Use Baby stickers to decorate.

Trim edges of a 4¹/₂" x 4¹/₂" piece of Strawberry Shake paper and attach to a 5"x5" square of Strawberry Shake Vellum. Finish by attaching bear tote to paper with foam tape, then to pink album.
