## STEPS FOR THE BOX TOP:

**STEP 1:** Assemble the Jolee's By You™ Miranda gift box.

**STEP 2:** Select a cardstock with imbedded glitter for a glamorous touch. Begin by laying out the Jolee's Boutique® stickers, Jolee's By You™ embellishments and the Phrase Café® Classic stickers on the box top. The easiest way to position the stickers without exposing the adhesive is to cut the clear backing around the sticker.

**STEP 3:** Use the computer or your own handwriting to create some inviting phrases. Cut squares and rectangles from the cardstock for each element placed on the box top.

**STEP 4:** Stipple gold ink onto the edges of the cardstock pieces, then highlight the edges of the cardstock with a gold Painty® pen.

**STEP 5:** Adhere the cardstock to the box top, and accent with stickers and Jolee's By You™ embellishments.

## STEPS FOR THE INVITATION:

**STEP 1:** Begin by decorating the Jolee's By You™ Quinn card envelope. Cut a 2" square from Laura Ashley vellum, highlight the edge with the gold Painty® pen, and fold in half for the napkin. Put a little drop of adhesive inside the folded flap to hold the napkin closed.

**STEP 2:** For the placemat, tear a piece of coordinating Laura Ashley vellum. Using the Paper Shapers® Whale of a Punch® Circle and Medium Circle, create a plate. Highlight the edge of the medium punched circle with the gold Painty® pen, then adhere the two circles together. Finish the place setting with a Jolee's By You™ fork and spoon.

**STEP 3:** Create the inside by printing the invitation on the glitter cardstock. Be sure to move the text over to the right portion of the card. Enhance the left side of the invite with a torn piece of Laura Ashley vellum and Jolee's By You™ gold hearts.
