

# Stamps Used:

Use a fir branch stamp to build a Christmas tree. You can even use a light bulb stamp to build the star for the top of the tree! Below are the basic stages to build a tree.

Stage #1

Stage #2

Stage #3

Use a fir branch, stamped in blue ink, to create a snowflake, as seen below. A pine cone, stamped in bright colored ink, makes a great flower. To make grass, use a fir branch stamp and the straight edge of a piece of paper to create a mask. A fir branch stamp also make a great filler for pots and jars.

Ideas are approx. 60% of original size.

Make great borders, corners, and frames for your scrapbook pages. Don't forget that you can even add flowers to create a springtime look!
