

## Paper Bag Book

Designer: Judy Ross

Paper bag books are the perfect answer for you to journal and house all those treasures you collect when traveling. Everything is contained in one nifty little book that can be adapted to any size, depending on how many days you'll be traveling.

### Directions:

1. Choose number of paper bags necessary, paint entire outside with acrylic paints.

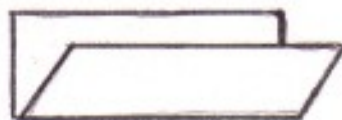

2. Cover both sides with decorative paper.

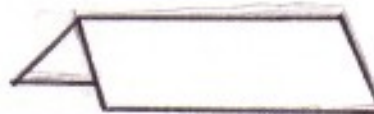

3. Insert eyelets and reinforcer labels on both sides of bags
4. Accordion fold card stock to create spine. Glue 2 together.

Valley fold

Mountain fold
