

HARVEST LAYOUT

By Danielle Diak

Use simple shapes and tools to create elegant autumn embellishments. All you need is wire, punches and ribbon to create exciting extras for your page!

SUPPLIES:

- Orange Cardstock (Cantolope, Yam, Hillary, Dark Sand)
- Paper Shapers® Large Circle Punch
- Paper Shapers® Small Oak Leaf Punch
- Paper Shapers® Intricate Iris Corner Adorner™ Punch
- HERMA® Vario™
- Wire
- Architecture™ Green Sheet Metal
- Wire Cutters
- Needle Nose Pliers
- White Glue
- CutterBee® Scissors
- Tweezer Bee™
- Cutterpede® Paper Trimmer with Score Blade
- Ribbon
- 3D-Dots™
- Paper Shapers® Bitsy Circle Punch
- Copper Brads
- Label Lingo Autumn
- Ranger's Distress Ink™ Vintage Photo

STEPS:

- 1 Punch the Intricate Iris punch in a piece of orange cardstock then punch the Large Circle punch around the Intricate Iris design. Punch 2 additional circles from a contrasting orange cardstock.
- 2 Using an ink to paper method, apply Ranger's Distress Ink™ Vintage Photo to each of the circles.
- 3 Adhere the circles to create a pumpkin using 3D-Dots™.
- 4 Wrap wire around a piece of brown ribbon. Leave extra wire on the ends to twist. Wrap an extra piece of wire around the ribbon. Trim ribbon and burn edge to keep the ribbon from fraying.
- 5 Glue the stem inside the pumpkin with white glue. Twist the wire around the ribbon.
- 6 Punch 3 leaves with the small Paper Shapers® Oak Leaf punch from Green Architecture™ Sheet Metal. Glue the leaves on the pumpkin.
- 7 Make 2 more pumpkins. Change the color scheme to create variety in the page. Set all Pumpkins aside.
- 8 Begin the scrapbook page with a neutral base of cardstock.
- 9 Cut three sizes of complementary cardstock in three colors. Cut the strips of colors in a variety of lengths.
- 10 Score each strip $\frac{3}{4}$ " from the short edge. Adhere the strips to the foundation cardstock then secure the strips with copper brads. Punch holes through the strip using the Paper Shapers® Bitsy circle punch. Push the brads through the holes and secure on the back.
- 11 Cut and mat rectangles for the pumpkins. Adhere the pumpkins and Label Lingo stickers to the rectangles; adhere to the end of each strip.

HARVEST LAYOUT

STEPS:

- 12 Place the title block on the center of the black page.
- 13 Cut out several 6" x 4" rectangles in various colors. Create tabs $\frac{1}{4}$ " of an inch from the top. Make sure they are placed in various positions. Use a black ink pad around all the edges.
- 14 Trim pictures to fit on each of the index cards. Add mats if desired.
- 15 Write the name of the subject on each of the index cards. On the back of the cards, create your journaling.
- 16 Place each index card into the desired file.
- 17 To complete the design, tie two piece of gingham ribbon along the spine. Burn the edges to prevent fraying
