

Decorative Photo Corner

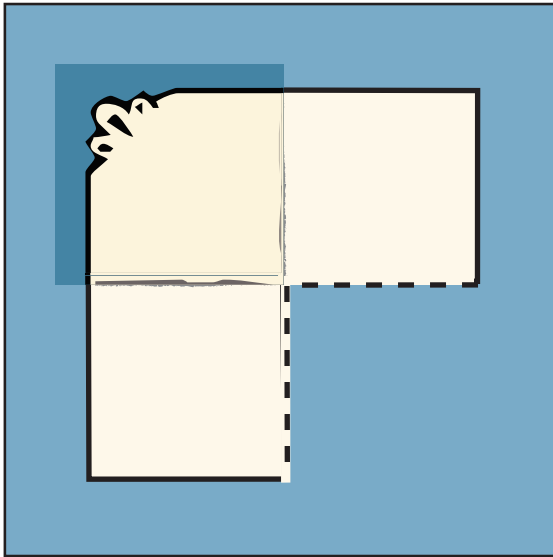

1. Measure and cut a small square of paper or card stock.

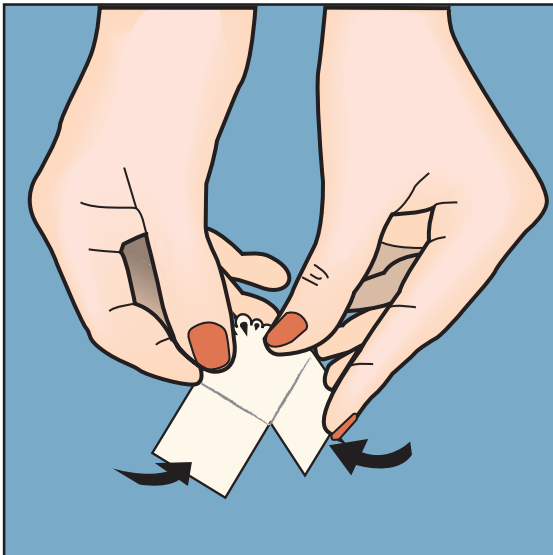

2. Divide the square into four equal parts.

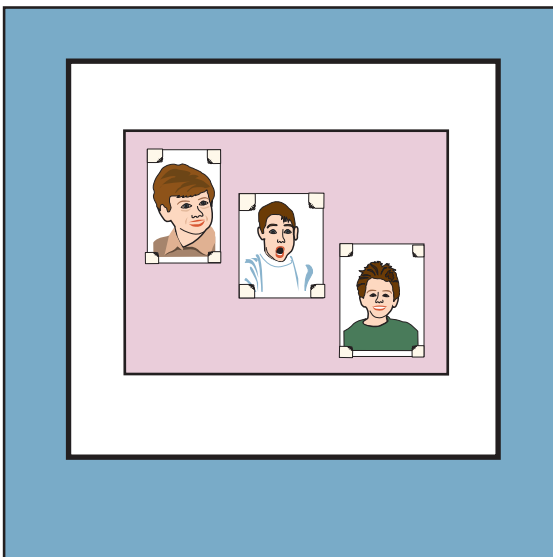

3. Cut a decorative corner using a corner paper punch.

4. Cut away the section diagonally across from the punched one.

5. Score and fold the protruding sections of the tab in and tape in place in the back.

6. Slip the corner onto a photograph or other scrapbook page element with the decorative edge pointed toward the page.
