

Pine Cone Angel
Gloria Bauer
Amery, WI

Materials

2 milkweed pods
round pine cone
round wooden bead, with a hole
doll curly hair
sparkle pipe cleaner/chenille stem
small ribbon rose or flower
Scribbles 3-D glitter paint
glue
dental floss bridge threader
Permanent markers, black and red

Steps:

1. Match two milkweed pods with similar color and texture on back and front of pod.
2. Trim front edges of milkweed pods with glitter paint and allow to dry.
3. With markers, draw closed eyes, nose and mouth on wooden bead.
4. Glue head on top end of pinecone.
5. Glue dental floss threader in hole of wood bead for a hanger.
6. Glue curly hair on head.
7. Make circle of sparkler chenille stem for a halo and glue in place.
8. Glue milkweed pods on back of pinecone, fitting them in between limbs of pinecone.
9. Glue flower in front.
