

CONSTRUCTION

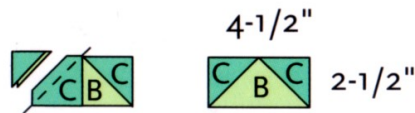

Star blocks: Make 13

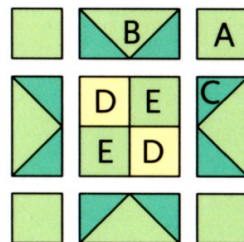

- To make the star points: with right sides together, place a (C) square onto a (B) piece. Stitch diagonally across the square, from corner to corner, as shown. Then cut the excess fabric (two layers) $\frac{1}{4}$ " beyond the stitching line. Press the triangle over the stitching line.

- Sew another (C) square onto the unit and stitch diagonally. Trim the excess $\frac{1}{4}$ " beyond the stitching line. Then press the triangle over the stitching line to complete the unit.

- Arrange all of the pieces as shown. Then sew together in rows to complete the block. **Checkpoint:* The block should measure $8\frac{1}{2}$ " x $8\frac{1}{2}$ ". Trim and straighten the edges if necessary.

Sky:

- Sew the fifteen $5\frac{1}{2}$ " x $8\frac{1}{2}$ " pieces of sky fabric together, as shown.
