

Brick wall:

1. There are three rows of narrow bricks. Randomly sew the bricks together with the short mortar pieces, referring to the diagram for placement.

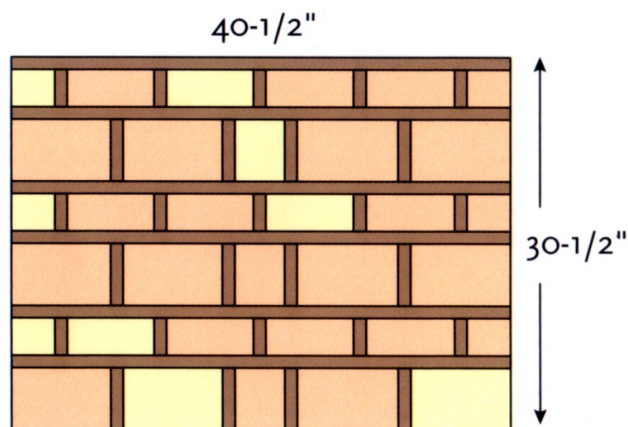

Make three different fabric combinations.

2. There are three rows of wide bricks. Randomly sew the bricks together with the long mortar pieces, referring to the diagram for placement.

Make three different fabric combinations.

3. Join the narrow and wide rows of bricks together with the long horizontal mortar strips, as shown.

4. Sew the 3" strip of base fabric to the bottom edge to complete this section.

Ground:

1. Sew ten of the 5-1/2" x 8-1/2" pieces of ground fabrics together.
